

## **Hawaiian Haven- Area Guide & Tips**

[www.hawaiianhaven.com](http://www.hawaiianhaven.com)

There's so much to see and do in Maui! We've highlighted a selection of restaurants, groceries, and outdoor activities that are nearby that we use and enjoy. We also included practical information (\$\$, cars, medical, etc.) here, some of it we haven't personally used, but they have been recommended to us. Of course, if you make new discoveries, please share them with us!

CJ's: 808-667-0968

Near Kaanapali. Comfort foods, deli classics, and good vegetarian options. Lots of locally source ingredients.

Dollie's: 808-669-0266

Right across from Sands of Kahana. Great pizza and other bar foods. Delivery available. See menu in welcome book.

Duke's: 808-662-2900

Family friendly, casual dining on Front Street. An old Lahaina stand-by.

Fish Market: 808-662-2900

Pick up fish to cook or get something to eat there. Only open until 7pm.

Gerard's: 808-661-8939

For a special occasion or romantic meal, this is a great place. Celebrated French cuisine with island influences. Make reservations.

Honokowai Okazuya: 808-665-0512

Talked about as a Maui "best value" this cash-only spot is our favorite for take-away. Good local "mixed-plates", great macaroni salad, and simple fish preparations (as well as lots of non-fish options). See menu in welcome book. We have the number stored in our phones...

\*Honu: 808-667-9390

East coast classics with an island flair. Brooke loves the crab mac and cheese and the Ahi Nicoise salad. Ken loves the Clam Chowder. Everything is delicious, right on the water. Gets crowded, make reservations.

Java Jazz: 808-667-0787

Our favorite for breakfast (served all day!). Also great live music nightly. Fun, family-friendly atmosphere.

Kimo's: 808-661-4811

Another Front Street stand-by. Similar to Duke's. Budget and family friendly.

Lahaina Grill: 808-667-5117

Another great choice for a special occasion. We love the appetizers and salads here, more than the entrees. Generous portion sizes, easy to share. Bar has a great atmosphere, too. Need reservations.

Leoda's Kitchen and Pie Shop: 808-662-3600

If you didn't already stop on the way from the airport, be sure to stop on your way back! Local sourced food, always fresh. Great food, as well as pies. Another "must".

\*Mala: 808-667-9394

Next door to Honu, a little bit fancier. Also great food, need reservations.

Mama's Fish House: 808-579-8488

Worth the drive, but we prefer to go early so you can enjoy the views.

Maui Brewing: 808-669-3474

As local as you can get. Lots of local, craft and microbrews. Great gear, too.

Merriman's: 808-669-6400

Our all-time favorite! Great wine list, amazing food and wonderful service. The views can't be beat. Go early and have a drink and watch the sunset and then start dinner. Perfect for a special occasion. Reservations recommended.

Miso Phat Sushi: 808-669-9010

Across from Sands of Kahana. Good basics, friendly staff. Menu in welcome book.

\*Ruth's Chris: 808-661-8815

Even though these are everywhere, they have a great early dining deal in the bar. Three courses for two that can easily be covered with your Costco gift certificates. A good deal.

Sangrita: 808-662-6000

A new edition that we're hearing good things about! Mexican "soul food and artisanal tequila and mezcal." Let us know what you think!

Sansei: 808-669-6286

Best sushi on the westside. Check out their websites for specials and discount menus.

## **ENTERTAINMENT AND ACTIVITIES**

Trilogy Sailing: 808-874-5649

In business for over 40 years, they're the best. Great snorkel trips, our favorite is the full-day Lanai sailing trip. A "must" on Maui.

Mike Severns Diving: 808-879-6596

No arbitrary time limit on your dives and they travel slowly underwater so that you can see and experience as much as possible. You are free to dive with them, and have their experienced biologists and naturalists show you animals and behaviors unique to Maui or be off on your own (with a buddy, of course!). Brooke's favorite dive company. Ask for Andy/Warren/AJ.

Maui Dive Shop: 808-879-1775

Good for diving certification, dives near Lahaina, equipment purchases.

Maui Golf Shop: 808-669-4991

Great for rental clubs and discounted tee times. Best deals for golfing on Lanai. Also check online with other providers for golf discounts.

808Boards: 808-283-1384

808 Boards rents and delivers surfboards and stand-up paddle boards from beginner boards to expert boards. Also provides surf lessons. Great company, best boards.

Ironwood Ranch: 808-669-4991

Great horseback riding trips on the Westside. Go in the morning, as you can get rained out in the afternoon.

Haleakala Downhill Biking: Varies

We highly recommend the sunrise downhill bike ride. Most of the operators are pretty similar. If you don't feel comfortable on a bike, definitely make the drive up for sunrise at some point on your stay. Check the weather before you go to make sure it will be clear. Amazing experience.

UFO Parasailing: 800-359-4836

Anytime May-December is open for parasailing in Maui and UFO was the first company we used back in 1988. They do a nice job and have well-trained staff.
